We've put quite a few down and extra liners. Where are they going? I will ask the staff but what we put there seems to be moving/disappearing.

Thanks.

FYI,

Still no green wire trash cans on Plummer. And no additional ones on Jordan.

Re: weekly clean up at plummer street encampment

The team has been leaving extra liners since last week, but no additional trash cans.

FYI, they should have plenty of trash receptacles. We deployed additional bins last week and left extra liners. We are servicing the bins daily M-F.

Good afternoon Colin,

Please see if you can get the Plummer street encampment on the schedule for Dept of Sanitation to come do a clean up again.

As you know, unchecked this gets out of control.

The tenant at the Picture frame shop works late and is very scared of the situation across the street.

The homeless come on the property looking in trash cans and is afraid of getting attacked
What else can we do?

Do you have any suggestions?

Waiting for something bad to happen not an option, just a matter of when!!

More tents and more cars parked and hanging out.

Very disturbing condition.

Thank You for your attention to this

Mike Dekker
